**SKU:** ISO18084

**Categories:** [Barber Scissors](#), [Basic Barber Scissors](#), [Beginners](#), [Scissors](#)

### Product Description

- **2 PAIRS OF SCISSORS?**- the set includes two pairs of scissors. **One of them is professional hairdressing scissors made of the highest quality steel.** The second are thinner tubes with a serrated blade. These scissors are used for thinning or thinning hair.
- **LARGE SET?**- the whole set includes 7 elements. It has a hairdresser cape that will protect your clothes from getting dirty during hairdressing treatments. 2 pairs of scissors. There is also a comb, brush and scissors cleaning cloth. **The whole thing is very useful during haircutting and other frizzing treatments.**
- **UNIVERSAL APPLICATION?**- both for women, men and children. The perfect solution for hair cutting and styling. An additional cape can also be used when applying make-up. **For use at home as well as in beauty salons.**
- **CASE?**- all elements are packed in a zippered case. It looks like a small pencil case. **Thanks to this, the entire set will always be in its place** without fear of getting lost.
- **SPECIFICATION?**- scissors: color: silver with blue accessories; size: 6"; thinning plates: color: silver with blue additions; number of teeth: 27; size: 6"; comb: black colour; dimensions (length / width): 17x2.5cm; brush: color: black / brown; dimensions (length / width): 14x2cm; cape: color: black; material: nylon; dimensions (length / width): 140x90 cm; case: color: black; material: eco-leather; dimensions (length / width / depth /): 21.5x9x3 cm; set weight: 285 g.
