Product Description

Barbertime Sea Salt Spray 150ml

Sea salt spray is a hairspray that contains water and salt. Sea salt sprays add volume and texture, mimicking the beachy waves you'd get from a quick dip in the ocean. After use, you can shape it more easily using a comb or hand. It helps you achieve more moisturized hair and provides a brighter appearance.

Benefit: adding instant texture and volume to your hair, enhancing your hair's natural curl pattern, and even removing toxins from your scalp and hair.

Vent Paddle Brush

[Read More](#)

SKU: 401463

Categories: [Barber Tools](#), [Brush Combs](#), [Combs & Brushes](#), [Cutting Combs](#), [Hairdressing](#), [Tools and Essentials](#)

Product Description

- Quality Material - The vented hair brush is made from ABS resin material, ensuring it is durable while being lightweight. The nylon bristles of the vent brush for hair easily glide through any hair style without pulling or scratching and is easy to clean.
 - Faster Blow Drying - Because the bristle hair brush is vented, the heat is better dispersed during blow drying. This reduces the amount of time needed to fully dry your hair and ensures there will be no frizziness or damage to your hair.
 - Curved Shape - Our vented hair brush for blow drying is designed to closely fit your scalp and head. The curved vent brush has generous spacing between the bristles will massage your scalp as you dry your hair, promoting blood circulation and healthier hair.
 - Excellent Design - The handle of our vented brush fits comfortably in your hand and the rubber non-slip covering prevents drops. The styling hair brush has a hanging hole as well as a magnet to attach it to something for easy storage.
 - Perfect For All Hair Types - Our vented hair brush is suitable for everyone. The curved hair brushes for women and men easily work through coarse, fine, thick, or thin hair and the vented detangling brush works great for straight or curly hair.
