Product Description

LM Hair Straightener PC 6.4 Rose Gold Wide

New LIM HAIR PC 6.4 L ROSE GOLD TI with ROSE GOLD TITANIUM technology that offers very smooth plates in its use. Without Frizz effect gets very shiny hair getting long lasting hairstyles. Stands out for its slim structure, making it easy to use during work and very useful for hair moulding. It has a special plate wide, between the wide and narrow standard plates. Its 38 mm wide gives more work capacity and the ability to make natural hair wide waves. At the same time, they are 20 mm longer than usual, arriving up to 110 mm long plates. Temperature is adjustable up to 230 °C with led lights, so as it can be adapted to any hair type. It is included in a nice box with a heat proof pouch that makes at the same time mat function for table protection during its use. New technologies for a full-equipped professional hair iron plate.
