[Read More](#)

SKU: 137618

Categories: [Hands & Feets](#), [Nail Files](#), [Nails](#)

Product Description

A professional EXO nail file is a necessary product in the basic work of a stylist. A nail file with a 100/180 gradation and the popular crescent shape - it is a medium-graded file intended for styling and preparing a natural nail plate for a manicure treatment. Dedicated to hard-to-reach places, a crescent-shaped nail file is a unique, ergonomic combination of two shapes - straight and banana. Thanks to this, working with it is extremely comfortable. It allows for precise processing of the mass at the skins and reaching hard-to-reach places. The modern, better

structure of the paper file, made of the highest quality raw materials, guarantees long-term use.

SP 3 Way Buffing Block

[Read More](#)

SKU: SPI1020

Categories: [Hands & Feets](#), [Nail Files](#), [Nails](#)

Product Description

Create a natural glossy shine on your nails without the nail polish. Also can be used for smoothing the ridged nail plate surface. Three different grit sides with different colors. Use this whenever you want to give your nails a break from nail polish but still want the glossy look on nails. **How to use 3 Way Nail Buffer**

1. First, use the black (the coarsest) side horizontally on your nail bed to refine it and remove ridges.
2. Then, use the white side to semi-shine
3. Finally use the gray side to give the shiny finish.
