Product Description

Men Training Head are made from 100% Human Hair, which is suitable for:

- Hot styling with straighteners, curling Irons and hairdryers (Max temp - 200).
- Hair colouring. Apply heat to speed up process time for better results.
- Permanent waving. Apply heat to speed up process time for better results.

- Cutting with scissors and razors. (not with dull scissors / razors).
- Long hair styling and updos.

Features of the Hair Tools Training Heads:

- Density: 200-230 Hair/cm2.
- Reinforced base for perfect vertical fitting.
- DISINFECTION CERTIFICATE: This item has been chemically bathed and disinfected by steaming to ensure optimum safeguards.
- HUMAN HAIR DISINFECTION PROCEDURES: Hair is boiled in water for six (6) hours, then washed in clear water. Next it is placed into acid bath for 5-20 minutes, then washed in sodium hydroxide to neutralize acids. Afterwards, it is washed in clear water, then it is rinsed in a bath of H2O2 (peroxide) with ammonia, and again washed in clear water. The hair is then shampooed, conditioned and air dried naturally.
