SKU: visor

Categories: [Pg 13 Hair Catalogue](#), [Sanitising](#), [Students - Beauty](#)

Product Description

Face Visors

- Face visors - protection for your eyes and face against bodily fluids, flying debris, splashes and aerosols.
- The ingenious design 'one size fits all', transparent to the user, is so clever, that you don't realise you are wearing it!
- The Face visors crystal clear shield protects your eyes and face so perfectly that it quickly reaches the wearer's body temperature preventing fogging or misting.

- The optical quality polycarbonate Face plastic visors is made lightweight so it can be integrated with the most attractive and comfortable colour coded visor.
- Use one of the multiple colour coded visors for easy identification for users or specific procedures ? alternatively issue one colour per list or case to help reduce cross infection.

These visors really are the good looking way to protect staff from harmful and potentially hazardous debris and splashes

Hand Santizer Refill Gel - 1000ml

[Read More](#)

SKU: 36644

Categories: [Pg 13 Hair Catalogue](#), [Sanitising](#), [Skin](#)

Product Description

Antibacterial Sanitizing Gel hand cleanser without the use of water. It is a ready-to-use product, containing ethyl alcohol for rapid and effective hand antisepsis, designed to sanitize and cleanse the hands without using water. Its particular formulation eliminates in 99 seconds 99.9% of the germs and bacteria present on the hands. It is applied directly on the skin with the special dispenser and rubs until complete evaporation: dries quickly leaving your hands soft and fresh. Since it is often not possible to have water and a hand cleaning product, thanks to its particular formulation Multiusi Gel can always be used to eliminate germs and bacteria present on the hands. It is applied directly on the skin with the special dispenser and rubs until complete evaporation: dries quickly leaving your hands soft and fresh. Standard equipment: Pack of 1 bottle of 1000ml
