Product Description

100% boar bristle d. 35

- **BOAR BRISTLES d.35** - The benefits of boar bristle brushes go beyond simply cleaning your hair, it also conditions. Scalp stimulation from both hair brushing and scalp massaging help distribute your natural sebum evenly through the hair. This helps your overall hair health and keeps those shiny locks resilient and strong. In addition, as your hair is coated with sebum you'll find moisture is restored, and the hair is generally more sheen, smooth, and manageable
 - **DO-IT-ALL FOR ALL TYPES** - Perfect choice for men, women and children with straight, curly or wavy, thick to fine hair. Great choice for natural and treated, thicker hair. Safe for extensions, wigs and weaves
 - **ROUND HAIRBRUSH** - Ideal blowout for adding instant lift, bounce and volume to all hair lengths. Used for creating bounce and volume to all styles such as waves and curls and smoothing or straightening
 - **WOODEN HANDLE** - Not only is the wooden handle elegant, it's sturdy and built to last. Because it's lightweight and ergonomically shaped, your hands won't cramp or tire while styling
