Product Description

GLOBAL DNA intensive eye contour by **POSTQUAM**. Total eye repair with a triple effect: eliminates wrinkles, dark circles and bags. Thanks to its specific formulation and the highest technology applied to facial cosmetics, GLOBAL DNA intensive eye contour revitalizes, drains and activates the microcirculation of the skin achieving a smooth, lively and full appearance. Immediate lifting effect! Get a young, beautiful and healthy skin. Bags and dark circles are eliminated, wrinkles and lines of expression are minimized and your skin regains all its natural beauty.
