Description

Premium protective sheets for use during the tinting procedure, to prevent skin from staining.

Directions For Use:

1. Ensure the eye area is clean and dry.
 2. Apply a small amount of [Apraise Petroleum Jelly](#) under the eye (avoiding the lashes).
 3. Remove 2 shaped sheets from the packet.
 4. Slightly dampen the protective pads (this makes them more flexible).
 5. Apply to the under-eye making sure to check all lashes are above the sheet.
 6. Continue with the tinting treatment using Apraise [Tint](#) & [Developer](#).
