Product Description

Osmo Straighten UP 250ml

A Semi-Permanent Keratin Straightening Spray

A revolutionary new Keratin based straightening complex that works with styling irons to transform curly, frizz-prone, unruly locks into sleek, smooth, visibly straighter styles whilst retaining the hair's natural moisture.

- Heat activated formula
- Locks in straightness without weighing the hair down
- Protects against heat damage
- Controls frizz and promotes shine
- Lasts up to 3 days or until the next shampoo

Achieve the look: Spray evenly over damp or wet hair, section by section avoiding the root area. Comb through. Blow dry hair with a large barrel brush. Finish by using straightening irons in sections.
